At a charge: Direct dial telephone.

Please note that check in and check out times are as follows:

Check in = 15:00 Check out = 11:00

Due to very high occupancies, we can rarely guarantee check in before 15:00 and kindly ask our guests to respect the 11:00 check out time to avoid delays for the next guests checking in.

Housekeeping: Kindly note that our housekeeping staff services guest rooms from Monday – Saturday. Chambermaids are not permitted to touch guest's personal belongings, so it is imperative that all personal belongings are kept in the closet or in the guest's suitcase and that side and vanity tables are left bare. Chambermaids will not service rooms whose tenants do not abide by this rule. On a Sunday should you require clean towels or a chambermaid to clean up a spillage please just ask the reception and we will send a cleaner to your room.

Our Planet: We would really appreciate your help to keep waste to a minimum. Hotels generate huge amounts of waste and have a significant impact on the environment so every straw, plastic bottle, or plastic cup you don't throw away, every towel you re-use and don't send to the laundry may seem like a small gesture on your part but multiply that by 3,000,000 tourists that visit Rhodes every year and you can begin to understand what an integral role you play towards creating a sustainable future for our island.

City Tax:

€7 tax per night per room paid separately by guests upon arrival

We would like to thank you in advance for conducting yourselves in an appropriate manner, abiding by the Hotel's policies and regulations and wish you a wonderfully memorable holiday.
